## We've got news!

### Greetings!

All together now, "Where did the summer go?" School is about to begin, and children will soon be back at their desks. We are going to miss having so many young students here on weekdays. What a treat it has been to see them and help them find just the right books to read all summer!

We are making big plans for fall at Way, but in the meantime, we are well-stocked with good books for you to read and programs and classes for you to attend right now. Browse through the upcoming events on our website so you won't miss anything.

In this enewsletter, instead of listing each scheduled event individually, we have provided easy links to our entire lineup. One click will take you to all of the program selections for adults, children, or teens.

Please read on to find out what's new at Way!

## A special "Thank you"

### Summer sponsors spell success

On behalf of Way Library and all the happy children who participated in our "A Universe of Stories" summer reading club, we express our exuberant thanks to O-I! The participation of O-I as our sponsor made it possible for us to offer amazing opportunities for youngsters. Learning about space through reading and hands-on activities was a fun and educational experience for all!

**Directions**  
Credit Union

We sincerely thank Directions Credit Union for sponsoring a wide-ranging lineup of adult summer programs. From cake and cookie decorating classes to a Jeopardy! contestant's appearance, from exercise classes to an author talk, and more, Directions Credit Union was our very much appreciated backer.

### Another special "Thank you"

#### An appealing entrance

Once again, All Thumbs Garden Club has graciously donated and arranged the beautiful seasonal plantings in the containers flanking our entrance doors.

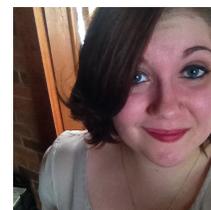

Plants featured are Silver Falls Dichondra, Musa Banana Dwarf Cavendish, Dragon Wing Pink Begonia, and Fireworks Fountain Grass.

We are grateful to All Thumbs for making our entrance so pretty and welcoming this summer!

### Meet our newest staff member

#### Welcome, Rachel!

Have you noticed a new face in the library recently? We are very pleased to introduce our new Technology Specialist/Librarian, Rachel Henck Bentley.

Rachel is a graduate of Wayne State University where she earned her MLIS degree in December 2018. She also has a bachelor's degree in social work from BGSU.

It didn't take long for Rachel to feel right at home here at Way. After all, she's been working in libraries since she was 16 years old!

Rachel has joined Adam Marier on our Tech Assistance team and is looking forward to helping you with your technology questions. You can set up a "One-on-One" appointment with her by calling the Information Desk at extension 119.

Help Rachel feel welcome by stopping by to say hello. (Need an icebreaker? Ask her about Rory, Remy, and Sherlock!)

### Local History Nugget

*Richard Baranowski, author, historian, and librarian, continues his "Local History Nugget" series. This monthly article focuses on quick facts from local history. Look for a new mini-lesson in each issue of our newsletter!*

#### Perrysburg and the early days of Prohibition

Did you know that Prohibition came early to Perrysburg? Wood County voted themselves dry in 1908, and that included Perrysburg. The village would have died of thirst if

not for Maumee, as liquor remained legal in Lucas County until 1920. Residents would ride the trolley to Maumee lugging empty suitcases. A while later, clinking and clanking, some even sober, they rode the streetcar back.

## Cookbooks

### ***The secret ingredient is always love!***

One of the largest sections in Way's nonfiction collection is cookbooks. Whether you are looking for comfort food, vegan, smoothies, grilling, or any other foodie topic, we have a cookbook for you.

Look for books with the "Food & Drink" label on the spine, or browse through the temporary display down the center aisle.

## Baker's Way

### **A Pan for All Seasons**

Have you ever wanted to make a giant cookie? Now you can! Way Library has a 14" round pan which is perfect for making a giant cookie for your next celebration.

This pan may also be used as a regular cake pan. You can even use it for a deep dish pizza.

Whatever you use it for, know this--it's going to make you VERY popular!
