Big News at Way!

Greetings!

Welcome to our January 2019 newsletter! Winter is here, and we couldn't be happier!

No, we haven't flipped our lids. We're just really excited about all the fun and interesting things we have to offer you this season. So, pour yourself a cup of cocoa and read on. You'll learn all about how you can "Warm Up with Way" this winter!

"Warm Up with Way" gift basket raffle

We're always interested in hearing what you think about the books you're reading, so here's how you can let us know. Beginning January 7, fill out a rating card (available in the browsing aisle) for each book you read in January and February. Your rating cards will serve as entries in our "Warm Up with Way" gift basket raffle. Drawing will be held on February 25.

May we offer you a hot beverage?

Who doesn't love a good book and a hot drink on a cold winter day? January is Hot Tea Month and we will celebrate with complimentary hot tea between 9:00am and 5:30pm on Thursday, January 10. Come in and warm up with a steaming cup of soothing tea.

But, wait! Tea isn't the only hot beverage we're celebrating in January. Stop by between 10:00am and 7:00pm on National Hot Chocolate Day - Thursday, January 31 - for hot cocoa on the house. Marshmallows, too? Of course!

Cozy Sunday

Come in and get cozy on Sunday, January 27 starting at 1:00pm. What better way to spend a winter day than relaxing in the library with snacks, hot beverages, laid back music, and low-key indoor activities? Play a board game,

get creative with coloring pages, make a quick winter craft, or read by the fire. It's a calming, no-stress afternoon, perfect for escaping the winter chill. Who couldn't use one of those?

Spread the warmth and make a difference for someone in need

Are you a knitter? Can you crochet? If you answered "yes" to either question, you are invited to join us this winter in a service project to "Warm Up America!"

Knit or crochet 7" x 9" squares to be stitched into afghans to be distributed to those in need. Patterns and material specifications may be found at warmupamerica.org. Drop off your completed square(s) in the designated bin at Way. If you enjoy knitting with others, the Witty Knitters, a local knitting group, invites you to join them in our Meeting Rooms C and D to work on squares on Wednesdays, January 2, February 6, and March 6, from 12:00pm-3:00pm. (You will need to bring your own yarn and needles.)

HappyLights and Stationary Bikes

Sunny days are hard to come by in January, so don't forget about our HappyLights! Soak up some feel-good simulated sunlight the next time you're at the library. Research shows that light therapy can boost your mood during the low-light winter months.

While you're here, you may as well get in some exercise. Our quiet stationary bikes accommodate books or laptops. You'll be surprised and pleased by how a little exercise can work wonders for your mental and physical health.

Holiday Closing

Please note the library is closed **Tuesday, January 1, 2019** for New Year's Day.

Beyond Books

With the start of a new year, it's fun to look back and see what the most interesting and popular Beyond Books items were in 2018. A lot of our patrons are either looking for lost keys or buried treasure, because the metal detectors have gone out a total of 72 times! Patrons are also now exploring places they can't normally reach, as our video borescopes have had 39 checkouts. And, no surprise here, but the Boomwhackers have been taken home a total of 91 times! It's proof that our tiny patrons love our Beyond Books collection just as much as the adults.

What is Criterion?

Criterion is an American video distribution company which focuses on licensing "important classic and contemporary films" for the film aficionado. Criterion is noted for helping to standardize a number of new ideas, such as the letterbox format for widescreen films, adding bonus features,

commentary tracks, doing film restoration, and releasing special editions for home video. Way has more than 200 Criterion films, all designated with this spine label. Criterion films can be found in the classic, feature, and foreign DVD/BLU-RAY collections. There is also a display of Criterion films down the center aisle.

Baker's Way

A Pan for All Seasons!

Did you know that January 27th is Chocolate Cake Day? We have many pans for making perfect layered, tiered, or bundt cakes. You can find them in the "Basic" and "Tiered" cake pan sections. You can even make chocolate doughnuts and doughnut holes!

Remember, the freestanding shelf on the *Baker's Way* aisle is now home for all the holiday-themed cake pans. There are cake pans in this section for every holiday throughout the year. This new location makes it even easier for you to find just the pan you need.

Jess has been sent to be his family's spy, but his loyalties are tested in the final months of his training to enter the Library's service. When his friend inadvertently commits heresy by creating a device that could change the world, Jess discovers that those who control the Great Library believe that knowledge is more valuable than any human life - and soon both heretics and books will burn...
