## Welcome, Summer!

### Greetings!

Take one look at our parking lot and you will see that summer is as busy as ever at Way! The children's reading club is humming right along. Kids are reading armloads of books and filling up the "Mission Possible" charity board with votes. Adults are turning out in large numbers for programs and classes, and taking home plenty of reading themselves.

If you are planning a summer trip, don't forget that you can take your library with you wherever you go. Access to ebooks and a huge variety of other digital items is as close as your smartphone, tablet, or personal computer and available 24/7. (We will miss you, though, so come and see us right away when you return!)

Please enjoy our July newsletter!

### Holiday Schedule

We will be closing early at 5:30 p.m. on Wednesday, July 3 and will be closed on Thursday, July 4. Regular hours resume on Friday, July 5.

## July 10, 2019 at 6:30pm Commodore Auditorium

Internationally known author and historian Douglas Brinkley will discuss his newly released book *American Moonshot: John F. Kennedy and the Great Space Race* on July 10 at 6:30pm. Admission is free and no reservations are required. The book was released on April 2, 2019 and made the New York Times Best Seller List the first week of publication. It commemorates the 50th anniversary of Neil Armstrong's moon walk which took place July 20, 1969.

This visit is sponsored by the Way Public Library Foundation & Friends and is to take place across the street from Way Library in the Commodore Auditorium located at 140 East Indiana Avenue, Perrysburg, Ohio 43551.

## Introducing a New Monthly Newsletter Feature

### Local History Nugget

*Please welcome Richard Baranowski, author, historian, and librarian, with his first contribution to the "Local History Nugget" series. This monthly article will focus on quick facts from local history. Look for a new mini-lesson in each issue of our enewsletter!*

### Perrysburg American Legion Post 28 Marks 100 Years

The American Legion was founded in the early months of 1919, after the end of World War I. Individual posts began organizing soon after. Perrysburg's American Legion Post was no exception. Their application date was July 10, 1919, and that's the day their post number--28--was assigned. There were 26 charter members, and the first commander was Harold Munger.

Congratulations to American Legion Post 28 on their centennial!

## More time to enjoy TV DVDs

### NEW! Keep TV series for 14 days!

We heard your practical concerns regarding having only 7 days to watch an entire season of your favorite TV show. Effective immediately, all DVDs with the "TV" label on the spine will circulate for 14 days and will automatically renew up to four times if no one is waiting for the DVD.

Now, go get comfortable and binge away!

**2019 Summer Reading Club at Way Library  
A Universe of Stories**

**Play Bingo and help your community!**

It's not too late to participate in Summer Reading Club and play Bingo for charity! Visit the Information Desk to sign up and receive Bingo cards loaded with a variety of challenges to complete. The challenges include activities like reading for 30 minutes, checking out a music CD and having a dance party, or attending a library program. Every time a child completes a "Bingo" by performing 5 challenges in a row, a sticker is awarded. The sticker is then used as a vote on our "Mission Possible" charity board where information about three local charities will be featured. At summer's end, votes will be tallied, and the charities will each receive a cash donation, courtesy of O-I. The charity with the most stickers will receive \$250; second place receives \$150; and third place receives \$100.

Every child who completes all the challenges on a Bingo card will receive a book to keep!
