## Big News at Way!

### Greetings!

Hello, again! May is here, and our patio is now open for your enjoyment. Folks have already been enjoying its ample sunshine, outdoor seating, and free WiFi. Also, once again, a mother duck is nesting in our parking lot. Apparently, our location is very desirable, as it is chosen every year. If you're lucky, in about a month you may witness the mother leading her brood to the river - a seemingly treacherous trek through downtown Perrysburg which not only involves traffic hazards for Mom and ducklings, but obstacles like impossibly-high train rails that need to be scaled. Somehow they always make it unscathed!

We hope you'll drop in often in May to pick up books and other library materials. Browse through this newsletter, too, and select some programs and activities you and your family will enjoy. Providing excellent library services to you is always our goal. Come in and let us show you what we have!

### Memorial Day Closures

The library will be closed Sunday, May 26 and Monday, May 27 in observance of Memorial Day.

We are excited to know that the Perrysburg Farmer's Market will begin their 2019 season on May 9 on Thursdays. Hours are 3:00pm until 8:00pm. If you come into town for the market, we ask that you please leave the middle aisle of our parking lot for those using the library. This area will be clearly marked with signs. Thank you!

## The Crayon Initiative

Have you been hanging on to used and broken crayons for years in the hope of finding a good use for them? If so, your patience has been rewarded! Drop off unwanted crayons in the collection box at Way, and they will be re-manufactured into new crayons and distributed to local children's hospitals for their art therapy programs. The Toledo Children's Hospital is one such recipient. Help brighten the lives of young patients and reduce landfill waste at the same time. Win, win!

## PJHS Art Showcase

**April 17 to May 13**

Watercolor, drawing, and collages are included in this exhibit from the eighth grade classes of Meghan Yarnell and Maura Amato at Perrysburg Junior High School.

## The Way Gallery: The Artists Behind the Scenes

**May 15 to July 7**

The Way Gallery is curated by an amazing volunteer committee consisting of Amy Fell, Cindy Doner, Mary Jo Bailin, and Sharon Johnson. From May 15 through July 7, the committee will display their own works of art. The four artists each work in numerous media, so the exhibit will feature an interesting mix of watercolors, acrylic, alcohol ink, oil paintings, fabric mixed media, quilting, fabric dolls, jewelry, felting, and photography. Be sure to wander through this exhibit and enjoy their creativity!

Maybe you want to plan your own adventure to some place on your bucket list, or plan a river cruise or visit the villages which are the setting for the *Midsomer Mysteries*. All of these books and DVDs and many more can be found in the TRAVEL section of the nonfiction collection with this spine label. There is also a temporary display down the center aisle.

## Baker's Way

### A Pan for All Seasons!

Did you know that May 11th is National Eat What You Want Day? On this day, people are encouraged to treat themselves by giving in to their favorite foods without feeling any guilt. Cake-lovers out there, this day was made for you! *Baker's Way* has over 200 cake pans available to help you bake the perfect cake to indulge in with no regrets!

Remember, on Eat What You Want Day, no one can tell you what NOT to eat!

## A Warm Up America! Update

Knitters and crocheters have such big hearts! We found that out when we launched a "Warm Up America!" blanket squares project at Way earlier this year. The project wrapped up at the end of March, and we are thrilled to report that more than 400 squares (plus two finished afghans) were collected. They are being shipped to the national Warm Up America! Foundation to be made into blankets for those in need.

We are so grateful for the participation of a local knitting group that meets here at the library. The "Witty Knitters" supported our project from the get-go, kindly opening their weekly meetings to the public and encouraging folks to knit for charity. We also warmly thank all the members of the community who added their neatly hand-stitched squares (and donations of lovely yarn!) to our collection basket regularly. The Knitters estimate that the squares collected represent a minimum of 700 hours of knitting/crocheting - probably more. Wow! Thank you!

The Witty Knitters have been together since around 1998.

After meeting in the Perrysburg home of the late Gloria Hicks for many years, they now meet at the library on Wednesdays from noon until 3:00pm and welcome any knitters/crocheters to join them.

Ever since that terrible night two years ago when his mother told him to run, he has lived alone on the streets of Boston, surviving by his wits, staying one step ahead of the police and the truant officers. One day, Magnus learns that someone else is trying to track him down-his uncle Randolph, a man his mother had always warned him about. When Magnus tries to outmaneuver his uncle, he falls right into his clutches. Randolph starts rambling about Norse history and Magnus's

birthright: a weapon that has been lost for thousands of years. The more Randolph talks, the more puzzle pieces fall into place. Stories about the gods of Asgard, wolves, and Doomsday bubble up from Magnus's memory. But he doesn't have time to consider it all before a fire giant attacks the city, forcing him to choose between his own safety and the lives of hundreds of innocents... Sometimes, the only way to start a new life is to die.
