Harrison Rally Day Parade

Book Cart Drill Team rolls again!

Harrison Rally Day is on Saturday, September 21, and the parade theme is "Color the Burg." Way Library's crowd-pleasing Book Cart Drill Team is ready to surprise and delight you again this year with their unique routine. Watch for our colorful entry "Painting the Town READ" and show us some love when we roll by!

Please take a moment to stop at our booth and say "hello," too. We'll have games and prizes for children and adults!

3D Printers for you to use!

Here at Way Library, we are very interested in sharing new technology with the community. That is why we are so excited to introduce 3D printing, a new service which is available at Way thanks to funding from Way Public Library Foundation & Friends!

Beginning in September, our Technology staff will offer demonstrations, informative classes, and hands-on workshops to help you learn about 3D printing. You will have opportunities to see 3D printing in action, hear about how 3D printers actually work and how they can be used in everyday applications, and try out the equipment yourself.

Musicologist-in-Residence

Welcoming Dr. Ryan Ebright

We are pleased to announce that this fall, thanks to funding from Way Public Library Foundation & Friends, Dr. Ryan Ebright will be joining us as Musicologist-in-Residence. Dr. Ebright is Assistant Professor of Musicology at BGSU.

A musicologist is someone who studies music from an academic or scholarly perspective. As our Musicologist-in-Residence, Dr. Ebright will share his expertise in music with the community by presenting three programs and holding monthly office hours at the library in September, October, and November.

- Join us for these fascinating programs:
- October 1 at 7 pm - The Music of Video Games
 - November 2 at 7 pm - Musical Performance
 - December 7 at 10 am - Musical Modernist Tour and Instrument Petting Zoo (family program)

Dr. Ebright is not only a professor, but an author and musician. During his office hours, he invites you to drop by for one-on-one mentoring on the subjects of music, higher education, research, or writing. You can bring a piece of music or a writing project to discuss, or you can ask him questions about higher education, performance, public speaking, research, and anything related to music. Office hours are scheduled for Thursday, September 5 from 4-7 pm and Saturday, September 21 from 1-3 pm. Hours for October and November will be announced at a later date.

Try the Echo Show

"Alexa, who wrote *The Hobbit*?"

Would you like to be more knowledgeable about "smart speakers" or "voice assistants"? Often, the best way to learn is by doing. In September, you will find an *Amazon Echo Show* at the Circulation Desk, and we invite you to stop by anytime and ask "Alexa" a question. You can explore her ability to provide answers, stream music and audiobooks, show YouTube videos, give you the weather forecast, tell you a joke, show your to-do list, report sports scores, and much more.
