2013 Mobile Device Workshop Series

Did you get or give one of these? We can help!

We anticipate that many of you were gifted or received one of the many available mobile devices last holiday season. In preparation for this, the library is offering a Mobile Device Workshop Series in early January.

iPads, Kindles, Androids and Nooks will be addressed in the series. We'll cover the operation of these devices as well as how to get free books, audiobooks, and movies from the library. The first workshop is an open house style discussion group. This will be on January 4th, 2013.

Admission and refreshments are free. Registration is not required. To view the complete schedule, [check out the story on our website.](#)

The Abolitionists American Experience Documentary on January 17

Reel Opinions

This is the story of abolitionist allies Frederick Douglass, William Lloyd Garrison, Harriet Beecher Stowe, John Brown and Angelina Grimke and how they turned a despised fringe movement into a force that changed the nation. Veteran's Day Round Table with Richard Baranowski

Our own Local History Librarian on television

On November 11th, 2012, Richard Baranowski participated in 13 ABC's Veteran's Day Round Table Discussion. We're very proud to have our own local history librarian be featured by a news outlet.

Other guests include Representative Marcy Kaptur, Joe Walter, and Bud Fisher.
