Big News at Way!

Books and Materials

Recent and Future Shifts

The leaves are beginning to change and so are things at the library! You may have noticed that materials inside the library have been shifting.

Recently, new large print books have moved to the beginning of the large print section, video games have moved next to the YA Graphic Novels, and holiday paperbacks have returned and are at the end of the paperback shelving.

In the coming months, we will be introducing something we like to call "Dewey Lite." We think this reorganization of non-fiction will help everyone browse for new and interesting reads. As always, our staff will be available to help you find the materials that are important to you while this transition occurs.

Jerry Bannister Memorial Dedication

On September 9, 2014 Way Library proudly dedicated an outdoor recycling station and solar powered trash compactor in honor of Jerry Bannister. Jerry was a board member of the Way Public Library Foundation for 9 years and a friend of the library for decades.

His passion, energy and commitment were an invaluable

asset to the community. He will be greatly missed.

Jerry was an advocate for the environment, enthusiastically promoting recycling and conservation. He was a Board Member for the State of Ohio Recycling and Litter Prevention Advisory Council, Board Chairman for "Keep Toledo/Lucas County Beautiful" (KT/LCB) and member of Perrysburg Litter Control.

Family and friends of Jerry's donated close to \$5,000 to the library in his honor. O-I donated an additional \$5,000 in tribute to his 37 year career with the company and his determined passion for the environment.

A full listing of memorial donors can be seen at foundation.waylibrary.info.

"Fresh Perspectives" Exhibit in Way Gallery

Artwork by PHS Students

Way Library and PRIZM are pleased to showcase the new gallery exhibit "Fresh Perspectives". The exhibit features the work of over 40 students from the Sophomore, Junior and Senior Fine Art Classes at Perrysburg High School. On display is photography, pottery, and 2-D art in all medias. The show can be viewed in the lower level gallery during the months of October and November at the library from 9 a.m.-8:30 p.m. Monday-Thurs., on Friday and Saturday from 9 a.m.-5:30 p.m., and Sundays from 1-5 p.m.

Local History Odds and Ends

Richard Baranowski's Local History Information for October

Did you know that Perrysburg boasts a Civil War General? Patrick Slevin lived in Perrysburg from 1860 to 1869. He was an attorney, Methodist minister, civic leader and politician, once running for U.S. Congressman from the northwest Ohio district. Slevin was also a gifted orator, temperance advocate and activist for the poor. He knew at least two Presidents. He was also a decorated soldier in the Civil War, advancing to the rank of Brevet Brigadier General.

His house still stands on the southwest corner of Front and Cherry Street. Take a look at it the next time you drive by

now that you know the story of Perrysburg's Civil War general, Patrick Slevin.

Hoopla Digital Launches September 15th

Streaming Movies, Music, and Audiobooks from Way Public Library

Way Public Library card holders can download the free hoopla digital mobile app on their Android or IOS device or visit hoopladigital.com to begin enjoying thousands of titles - from major Hollywood studios, record companies and publishers - available to borrow for instant streaming or temporary downloading to their smartphones, tablets, computers and Apple TV.

Library Director Janel Haas is excited about offering hoopla digital. She says, "Our patrons have always been ahead of the curve when it comes to tech-savviness and enthusiasm for on-demand content. We are continually on the lookout for practical ways to deliver films, music, and books to them in the formats they enjoy most. The addition of streaming services to our collection via hoopla digital is another step towards fulfilling our objective of meeting the information and entertainment needs of our patrons. It is also a demonstration of our commitment to embrace the latest technology."
