

“Pandemic Reflections: Creativity and COVID”

Invitational Exhibit on display July 2 - August 28 2022

Way Public Library, Perrysburg, Ohio

The pandemic crisis caused the world to endure worry, stress, grief, isolation, loneliness and death. It also affected artists in specific ways. Some lost jobs, many faced unpaid bills and more than a few had art shows canceled, yet some found inspiration in the isolation.

Share with us what you created to help you cope during this time of tragedy and uncertainty. Was it a time of inspiration for you?

GUIDELINES: 1. All artwork must be a person(s), place, object or scenes created during the Pandemic.

Consider all kinds of artistic media to create 2-dimensional or 3-dimensional art works. Accepted entries include photography, pottery and clay, fiber, glass, jewelry, acrylics, watercolors, markers, pen and ink, bronze, mixed media, oils, pastels etc. Please DO NOT submit culinary, video, installation or audio art projects.

2. You may want to send a written response along with your artwork, including secrets to staying creative during the pandemic and how it impacted your art work or practice of art. Written or typed responses should be on white letter-size (8 1/2 x 11) or smaller paper along with a **completed Exhibit/Written Response Label attached on the back.** Written responses do not have to be framed.

3. All 2-D works should be framed, and have wire or wire loop on back for hanging or with attached mat board around perimeter of art piece.

4. Submit your work with this completed application between June 19 - 25 at Way Library. Make sure the Exhibit Label is attached. Although great care is taken with items displayed, Way Library cannot be liable for losses or damages to items displayed.

4. Limit of two submissions per person. By participating, all agree that photography of work may be used for nonprofit and publicity purposes. Send jpeg digital images to Alyssa.Bullock@waylibrary.info (not required).

5. Deinstall/Pickup: Monday, August 29 from 1pm - 8:00pm in the gallery. To pick up after that date, please ask for your work at the Information Desk.
