Dear Library User,

Around the library, the summer season means something very specific: Summer Reading Programs.

The Summer Reading Programs at the library (Children's, Teens, and Adults) represent a time when library staff members really make an additional effort to offer both informative and entertaining events. This broad spectrum offering of events span all ages and range from author visits to CPR training to musical concerts to technology hot topics. This newsletter covers our June events, but we have plans for many other great gatherings at Way well into August. You can view these other events here: http://r20.rs6.net/tn.jsp?e=001YUqkihGWFnwJjNI3m2s9n_R059btWp5KRrYiA2zM8eCsSFBbq0s-ws0aZmRNOZBZRoxVlrr9XgdZMScaW6KQuRMX-NzHXM09NNd0nVehOSyF5PENbX-92vFQRa0KOPUDyqcXLYR8pM1iPqpZNBYEAE==

Janel Haas,
Director

In other news, we'd like to thank everyone who came to our recent event "An Evening Sam Jaeger." We knew Sam was a wonderful actor and director, but we weren't aware he is such a great public speaker. The crowd was both attentive and polite, even in such a cramped space.

Also, many of you may have noticed the beautiful photographs we are currently showing in our gallery area by Art Weber. These photos were recently a part of the National Center for Nature Photography's recent exhibit "10,000 Acres: Preserved Forever." If you would like to meet the artist who took these wonderful photographs, Art Weber will be at an artist reception June 4 at 6:30pm in our lower level gallery area. Immediately after, at 7:00pm, we will be having our History of the Great Black Swamp event with Clint Mauk.

Lastly, we have some staff changes to inform you about. Adria Pugh, our Teen Services Librarian, has been promoted to head of Children's Services. We have hired Kinsey Zeisler as our new Youth Services Librarian to fill the gap. Kinsey was previously a part time clerk. Adam Rutz, also previously a part time Clerk, has been promoted to full time.

Please accept our invitation to spend this summer with Way Public Library. We'd love to have you!

Children's Summer Reading Events for June

Dig Into Reading!

Dig into Reading at the Library! Tunnel into some good books this summer at the Way Public Library. In order to maintain the skills acquired throughout the school year, it is important for children to have a balance of mental as well as physical activities over the summer break. Children who participate in summer reading activities maintain their reading skills better than those who do not. Way Public Library has planned a variety of activities and programs for the summer. Online registration for June activities that do not require a fee will begin June 3, 2013, at 9 a.m. Online registration for July programs that do not require a fee will begin July 1, 2013, at 9 a.m. Online registration may be done at http://r20.rs6.net/tn.jsp?e=001YUqkihGWFnwofWmqwWSjyE9aol8GkmnH1GV73D-q1SGC3MrxjHOEQFNsZQt0dEQBLh0S0q02LcFEUxKjokpJh8s_37wibWZkVVCUttuQdix9HqIMUKgHbg== from your home or from a public computer at the library. The librarians will be happy to assist you.

Boys and girls are also invited to join the Summer Reading Club at Way Public Library. Read for fun! Visit the library once each week and write down the books you have read in your reading log.

Tip: Visit the library once each week and write down the books you have read in your reading log. At that time you will receive a small prize and a sticker on your reading log. Collect all six stickers.

The first prize and sticker will be issued the week of June 10 and the final incentives the week of July 15, 2013. During a "make-up" week, held July 22- 27, for as long as quantities last, children can collect ONE of the stickers and prizes they have missed. Preschoolers may participate by having books read to them. Preschoolers' through third graders' names will appear in the Perrysburg Messenger Journal when they have recorded the reading of their first book. Children entering fourth and fifth grades will be eligible for weekly prize drawings.

Join us at 5:30 on the Third Tuesday of Each Month.

Are you a fan of Science Fiction? Are you familiar with the names of Clarke, Heinlein, and Asimov? If you had a space suit, would you travel? Do you dream of electric sheep? If so, this might be the book discussion group you've been waiting for.

The first book to be read and discussed is "The Sparrow" by Mary Doria Russell

The first book to be read and discussed is *The Sparrow*, by Mary Doria Russell. "The Sparrow, an astonishing literary debut, takes you on a journey to a distant planet and to the center of the human soul. It is the story of a charismatic

Jesuit priest and linguist, Emilio Sandoz, who leads a twenty-first-century scientific mission to a newly discovered extraterrestrial culture. Sandoz and his companions are prepared to endure isolation, hardship and death, but nothing can prepare them for the civilization they encounter, or for the tragic misunderstanding that brings the mission to a catastrophic end. Once considered a living saint, Sandoz returns alone to Earth physically and spiritually maimed, the mission's sole survivor - only to be accused of heinous crimes and blamed for the mission's failure." (Taken from the front flap)

The first meeting will be July 16th, at 5:30 pm. Each subsequent meeting will be on the 3rd Tuesday of each month at 5:30 pm. The aim is to alternate between genre classics and titles hot off the shelves. Please contact Doug Kolpien (419-874-3135 x106) if you are interested in participating.
