News Bits

You may find these things interesting...

Special Thanksgiving hours:

- The library will close early on Wednesday, November 26 (5:30pm)
- The library will be closed all day on Thursday, November 27.

Other Notes:

- Our WIFI was modified on October 28th. Now when you search for our network, you should choose "Way Public Library" as your network. You will also have to agree to our Terms of Service to use the network.
- You may have noticed our maximum number of material renewals has increased to four (as long as the item has no holds). This should increase convenience for everyone.
- Congratulations to staff member Douglas Kolpien! He has taken a job offer in North Carolina. As a result, new "Mondays with Doug" appointments will be on hold, although any already made will still be honored. **Please note: We are not terminating**

our one-on-one technology assistance program. It will, however, be on hiatus until this position is filled.

Renovation News

"Pardon Our Dust" as we give Way Library a RENEWAL! Over the next few months we will be replacing carpet and relocating and re-purposing several areas of the library. This project has been made possible by the Way Public Library Foundation & Friends and the generosity of loyal supporters. Follow us on Facebook for weekly updates and pictures of the progress.

Local History Odds and Ends

Richard Baranowski's Local History Information for November

In honor of Veterans Day, November 11, 2014, the nation will be recognizing those servicemen who have given their lives for their country. Perrysburg has also lost their share of men. From our village now city, there were three local men who died in World War I, 18 in World War II, three in Korea, seven in Vietnam and one in the Gulf War.

Visit the war monument in Hood Park to find the names of these brave local men who made the ultimate sacrifice for their country in these 20th century conflicts.
